

## A Whisper of Horses (Hardback)

By Zillah Bethell

Templar Publishing, United Kingdom, 2016. Hardback. Condition: New. Language: English . Brand New Book. A gorgeously lyrical journey of discovery across a reimagined Great Britain. Serendipity loves horses. No-one in Lahn Dan has ever seen one, apparently they died out before the Gases - but there are statues of them around the city, paintings and drawings too if you know where to look. And there's the little lost wooden horse Mama gave Serendipity when she was little. When Mama dies, Seren is taken under the wing of Professor Nimbus, a storyteller. Nimbus is kind and knowledgeable, but Seren has started to question the Minister's rule and life beyond the high, impenetrable Emm Twenty-Five wall. Hidden among Mama's few possessions was a map which suggests there is life outside of Lahn Dahn, and a place where horses live and roam freely - out beyond the wall and the Minister's grip. So, with the help of a trader boy called Tab and his little dog Mouse, Serendipity heads into the unknown, searching for the beautiful creatures she's always dreamed of. But the Minister is behind them, determined to hunt her down. . .

*Completely essential read publication. It is really basic but excitement in the fifty percent of the book. You will not really feel monotony at anytime of your respective time (that's what catalogues are for about in the event you ask me).*

*I just started off reading this article pdf. It is probably the most remarkable ebook we have go through. It is extremely difficult to leave it before concluding, once you begin to read the book.*
