HOUSE OF LOVE

America Star Books. Paperback. Book Condition: New. Paperback. 32 pages. Dimensions: 11.0in. x 8.5in. x 0.1in. My name is Rachel. I am six years old and I st-st-stutter. I was born on the 26th day of April, 1971 in Louisville, Kentucky and had only one-third of my thyroid gland, also known as hypothyroidism. Only this was not discovered until I was five- months old at which time my hair had grown in black and my nails hadnt grown at all. The test to check for thyroid deficiency was not a requirement at this time. However, doctors only knew so much about this condition and labeled me as being Totally Retarded on my chart. This was also mentioned in an article written by my mother, commemorating 1979-The International Year of the Child. My arms and legs were unevenly proportioned with the rest of my body. My tongue was enlarged and a factor of what later became my speech impediment. I was then taken to an endocrinologist and was placed on Synthroid. My body endured a dramatic transformation within one month of treatment. When I was four years old, I was evaluated as being two years behind a four-year old speech developmental pattern. I was placed in speech therapy two days a week and SLD until the eighth grade. It wasnt until I discovered the article written by my mother, on Mothers Day of 2009, that I was inspired to write this book. It answered so many questions for me and ended the prolonged depression. I am now in my late thirties, happily married with two beautiful daughters. I am still on Synthroid and will be for the rest of my happy and fulfilled life. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
