Createspace, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book. dankennedy s stories have stayed in my head like one of those faces you see on the street and for some reason cannot forget. Like strangers on the subway who brush your sleeve or return your glance for a moment, they allow you to share a brief moment of intimacy with them. The characters are treated with relentless honesty as well as an incredible tenderness; the woman with her nervous suede eyes at the bus stop seemed real to the point of tears, and I sometimes wonder what has become of her. Then I realize that I have been walking through the stories with my eyes closed, being taken by the hand and gently shown around by words that are rhythmic, poetic, almost musical at times. The language spoken by the author is sometimes almost physically painful both at its harshest and purest - although harsh and pure are not necessarily contradictory. His stories breathe ugliness as well as beauty, subtle irony and cruel truths, but, always, love. dankennedy has made me hold my breath, open my eyes again, and feel incredibly alive. -- Katharina Sophia Grabner - Poetess - Pettenbach, Austria.
