Tantor Media, Inc, United States, 2016. CD-Audio. Condition: New. Unabridged edition. Language: English . Brand New. It drives my dad nuts I m such a goody-two-shoes, but the fact that I m a virgin makes smoke pour from his ears. See, I m determined to save myself for love, but daddy dear, more commonly known as Lucifer, just wants me to stop being an embarrassment. Would it kill you to sin a little? Maybe he ll get his wish, because I met an intriguing hunk last night in my bar. Could he be the one? He certainly melts my panties like marshmallows over the coals of Hell, but do I dare trust him? My last boyfriend thought he d gain infamy by killing me. He s infamous all right. Dad had him mounted on a wall, his version of modern art titled, Touch my baby girl and die. My love life isn t the only thing I ve got to worry about. There s someone threatening the denizens of Hell, and while my daddy says to not worry my pretty little head about it, I am involved because whoever is behind the attacks keeps coming after me. Bring it. I m not afraid. Contains mature themes.
