Reviews

I actually began looking over this pdf. This can be for all those who statte there was not a worthy of reading through. I am easily can get a enjoyment of reading through a written publication.
(Rafael Feeney Jr.)

THE VERSAILLES SETTLEMENT: PEACEMAKING AFTER THE FIRST WORLD WAR, 1919-1923 (PAPERBACK)

Palgrave MacMillan, United Kingdom, 2018. Paperback. Condition: New. 3rd ed. 2018. Language: English . Brand New Book ***** Print on Demand *****.The third edition of this acclaimed textbook on peace-making after the First World War advances that the responsibility for the outbreak of a new, even more ruinous, war in 1939 cannot be ascribed entirely to the planet's most powerful men and their meeting in Paris in January 1919 to reassemble a shattered world. Giving a concise overview of the problems and pressures these key figures were facing, Alan Sharp provides a coherent introduction to a highly complex and multi-dimensional topic. This is an ideal resource for undergraduate and postgraduate students taking modules on the Versailles Settlement, European and International History, Modern History, Interwar Europe, The Great War, Twentieth Century Europe, German History, or Diplomatic History, on either History courses or International Relations/Politics courses.
