Reviews

It becomes an awesome publication that I actually have actually read. It really is written in simple terms and not difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

SIMON SCHUSTER, United States, 2013. Paperback. Book Condition: New. 193 x 130 mm. Language: English . Brand New Book. Sara discovers a new psychic power--and a world of secrets at her fingertips. Sara's abilities have been growing ever since she moved to Stellamar. First she was able to communicate with the ghosts. Next came the visions. And then the mind reading started. It seems like things have settled down and returned to normal--or as close to normal as things ever are for Sara--when Lady Azura informs her that a shift has occurred and change is coming. At first Sara isn't sure what that means, but before long, she finds out. A new ability allows Sara to know impossible things, like secrets kept by long-dead people, and answers to decades-old mysteries. But having such an awesome power comes with great responsibility. Can Sara shoulder the burden of her newest ability? Is normal completely out of reach?.
