### Reviews

*These types of publication is the greatest publication available. It really is filled with knowledge and wisdom Once you begin to read the book, it is extremely difficult to leave it before concluding.*  
*(Prof. Lenna Beatty III)*

**THE PRE-GRADUATE YEARS (2012-2013) (PAPERBACK)****DOWNLOAD PDF**

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The Pre-Graduate Years (2012-2013) is Volume II of Kyle R. Brady: The Collected Works, a collection of the author's academic works, divided into specific and tangible periods, meant for both the curious reader and posterity itself. Each individual piece serves as a short-but-detailed introduction to the subject under consideration, in a way that's aiming for both understanding and relevance. Moreover, each piece serves as a brief window to the author's worldview at the time and his evolving interests, creating an important record in understanding his academic and professional development. The individual works that constitute Vol. II, much like Vol. I, are not particularly revolutionary, groundbreaking, or deep, nor are they very original. However, the shift away from a traditional undergraduate framing to something that attempts to be more original is clearly evident, as are the early themes of the author's career. Subjects include American inequality, economic and personal liberties, sociopolitical and economic freedom, progressive politics, liberal politics, generational development, sociopolitical development, political discourse, social cohesion, education, 2012 Presidential Campaign, truth, religion, and national security. Chapters: 1 - 2012 America: A Marked Increased Interest in Inequality 2 - Economic and Personal Liberties: The Eternal, Imperfect Quests of Humanity 3 - Solutions from the Top: Dialogue, Education, and Toleration for the Benefit of Future Generations 4 - Modern America: The End of Political Discourse and Social Cohesion 5 - Campaign 2012: Pre-Election Thoughts 6 - Campaign 2012: Post-Election Thoughts 7 - Truth and Religion: An Exploration 8 - American National Security: Public Safety and the Public.
