

## Casualty Aversion: Dispelling the Myth

By Timothy S. Mundy

Biblioscholar Okt 2012, 2012. Taschenbuch. Book Condition: Neu. 246x189x4 mm. This item is printed on demand - Print on Demand Neuware - The perception among many officers of all ranks in the U.S. armed services is that casualty aversion limits the military's ability to perform its mission. A frequent remark from military members during discussions of world crisis spots and what the U.S. response should be is that if the military suffers a single casualty, the mission will be ended because the American people will not support such intervention with casualties. Yet this is a myth that has so permeated the U.S. military today as to have the effect of limiting risk taking in military operations. Limiting risk in the name of casualty aversion carries the future implication of driving boldness out of the military organizations. The unforeseen consequence may be more casualties in the next conflict. The origins of casualty aversion are explored using three criteria applied to the three case studies of the Vietnam War, Operation Desert Storm, and the intervention in Somalia. First, public opinion polls are used to identify the changing nature of public opinion in support of each of the case studies. The research also...

### Reviews

*This ebook is amazing. I actually have read and i also am certain that i will going to read once more again down the road. I found out this pdf from my dad and i advised this book to discover.*

-- **Isaiah Swaniawski**

*A must buy book if you need to adding benefit. It really is simplified but unexpected situations in the 50 percent of your book. Its been developed in an exceptionally straightforward way and it is merely soon after i finished reading through this pdf where in fact transformed me, modify the way i think.*

-- **Dalton Mertz**
