

## The Type (Hardback)

By Professor of French Literature Sarah Kay

Hachette Books, United States, 2016. Hardback. Book Condition: New. 185 x 135 mm. Language: English . Brand New Book. Sarah Kay's powerful spoken word poetry performances have gone viral, with more than 10 million online views and thousands more in global live audiences. In her second single-poem volume, Kay takes readers along a lyrical road toward empowerment, exploring the promise and complicated reality of being a woman. During her spoken word poetry performances, audiences around the world have responded strongly to Sarah Kay's poem *The Type*. As Kay wrote in *The Huffington Post* Much media attention has been paid to what it means to be a woman, but often the conversation focuses on what it means to be a woman in relation to others. I believe these relationships are important. I also think it is possible to define ourselves solely as individuals. We have the power to define ourselves: by telling our own stories, in our own words, with our own voices. Never-before-published in book form, *The Type* is illustrated throughout and perfect for gift-giving.
