

## Learn 101 Dutch Verbs in 1 Day with the Learnbots: The Fast, Fun and Easy Way to Learn Verbs (Paperback)

By Rory Ryder

iEdutainments Ltd, United Kingdom, 2017. Paperback. Condition: New. Andy Garnica (illustrator). 2nd Revised edition. Language: N/A. Brand New Book. The colour coded verb table allows the reader to focus all of their attention on one colour tense at a time enabling them to make immediate connections between the subject and the verb! The Dutch LearnBots are a great resource for dyslexic learners, children and adult learners. Children can start to identify what a verb is and the way it changes with the subject of the sentence. Advanced learners can go on to learn the different tenses and improve their accuracy. This book also works along-side its very own kick-starter app on Googles Android and Apples App Store allowing the user the ability to hear some of the conjugations being read out loud by a native speaker. The app also allows the user to test their ability in remembering verbs and conjugations.
