Reviews

This is the very best publication we have read through right up until now. It is one of the most incredible book we have read through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Miss Celia Volkman)

WE'VE COME TO TAKE YOU HOME

Troubador Publishing. Paperback. Book Condition: new. BRAND NEW, We've Come to Take You Home, Susan Gandar, Samantha Foster and Jessica Brown are destined to meet. But one lives in the 20th century, and the other in the 21st. It is April 1916 and thousands of men have left home to fight in the war to end all wars. Jessica Brown's father is about to be one of those men. A year later, he is still alive, but Jess has to steal to keep her family from starving. And then a telegram arrives - her father has been killed in action. Four generations later, Sam Foster's father is admitted to a hospital's intensive care unit with a suspected brain haemorrhage. A nurse asks if she would like to take her father's hand. Sam refuses. All she wants is to get out of this place, stuck between the world of the living and the world of the dead, as quickly as possible. But what is causing the vivid and terrifying dreams she keeps having? Back in 1914, Jess moves to London and starts working as a maid for Major and Mrs Osborne. When the major's only surviving son, Tom, comes home on leave, they start a secret affair. Four months later a telegram arrives - Tom is missing in action, believed dead. The major's wife tells Jess that she, and the child she is carrying, will never be part of their family. If the Major finds out that she's pregnant, she'll be thrown out onto the streets. In 2016, as Sam's father's condition worsens, her dreams become more frequent - and more frightening. After a while, she begins to realise that what she is experiencing is not a dream, but someone else's living nightmare. We've Come to Take You Home is a gripping tale of...
