Forgotten Books, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Schoolboy Days in Russia I think I know the real culprit. It is one of my college mates. A word from me would, perhaps, suffice to immure him in this gloomy prison, to which I was brought two days ago, - to make him the inmate of this damp cell infested with rats and vermin: I can hear the rats running about now, under the dirty straw that serves as my couch. He would receive from the hand of the jailer the loaf of black bread and jug of water which constitute my rations for each day; he would find his fingers and feet becoming more and more benumbed by the cold wind that blows through the bars of my window; he would wear these heavy chains; he would be the Object of general distrust and suspicion. But how can I accuse another person without proofs. Especially when that other person is a schoolmate, and I have only some rather vague charges to make against him, charges based probably to a great extent upon the antipathy and distrust with which he inspired me from the beginning of our acquaintance?
