By Greg Beaulieu

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Lust, love and fear mix a potent cocktail. When you add a splash of menopause, they can become downright dangerous. When Carter and Lisa meet, the chemistry is undeniable. Neither can shake the feeling that he has finally found his soul mate. Almost immediately, however, each is shocked to discover the others dark secret. Yet somehow, neither one can let go. Within hours, they realize that they have become ensnared in something far more complex, far more sinister, and far more life-changing than a mere business convention. They have no one to fear but each other, no one to rely on but each other, and no one to blame but themselves. When should instinct carry more weight than logic and incontrovertible evidence? When should your heart trump your head? When should random coincidence be allowed to hijack your future? Carter and Lisa grapple with these questions, and shock themselves with their answers.
