Making dens and shelters is a favourite childhood activity and has always been so. Dens and shelters provides a wealth of den making ideas which involve children in active learning and creative thinking. Each activity gives suggestions on how the activity can be set up to suit the different development stages of the children in your care. Dens give children the space and time to explore their creativity - a magical place for children to role play and let their imaginations run wild. Dens and shelters also provide a child with a place to rest and reflect when the noise and activity of a busy setting gets too much. The BabyBeyond series takes simple activities or resources and shows how they can be used with children at each of the EYFS development stages, from birth to 60+ months. Each activity is laid out so that you can see progression at a glance.
