### Reviews

*This written book is great. I am quite late in start reading this one, but better then never. You will not really feel monotony at any moment of your time (that's what catalogues are for about when you check with me).*

She was the younger sister of a family of writers, including Agnes Strickland, Jane Margaret Strickland and Catharine Parr Traill. She wrote her first children's book in 1822, and published other children's stories in London, including books about Spartacus and Jugurtha. In London she was also involved in the Anti-Slavery Society, transcribing the narrative of the former Caribbean slave Mary Prince.[3] On 4 April 1831, she married John Moodie, a retired officer who had served in the Napoleonic Wars. The family settled on a farm in Douro township, near Lakefield, north of Peterborough, where her brother Samuel worked as a surveyor, and where artifacts are housed in a museum. Founded by Samuel, the museum was formerly an Anglican church and overlooks the Otonabee River where Susanna once canoed. It also displays artifacts concerning both Samuel and Catharine Parr Traill. Moodie continued to write in Canada and her letters and journals contain valuable information about life in the colony. She observed life in what was then the backwoods of Ontario, including native customs, the climate, the wildlife, relations between the Canadian population and recent American settlers, and the strong sense of community and the communal work, known as bees (which she, incidentally, hated). She suffered through the economic depression in 1836, and her husband served in the militia against William Lyon Mackenzie in...
