Paperback. Condition: New. 70 pages. She didn't like hearing that. On the other hand, it's absolutely guaranteed! We're all human. And the difference between those who succeed and those who don't is not that they don't have the same kind of problems. Those who succeed usually have bigger problems, because they're in a bigger arena, other than the fact, of course, of the death of a loved one and all that comes with it—that's uniform and universal. But they've learned how to handle stress, they have their eye on the goal, and nothing matters like their goal. And that gives them the ability to get back up every single time they're knocked down. This volume, like all books in the Sub 4 Minute Extra Mile Series is a collection of short, focused, intense, intended training sessions developing the natural health, wealth, and fulfillment current within and between you and HoloCosm.
