Lulu.com. Paperback. Condition: New. 84 pages. Dimensions: 8.8in. x 5.9in. x 0.2in. The Many Roads to Japan tells the story of the adventures of a conscientious objector who had to follow many twists and turns in his life journey before finding his niche in Japan. Suitable for low intermediate level and above ESL students. An excellent resource for peace education studies, too. The Many Roads to Japan influenced my students a lot, not only in studying English but also in searching for their own identities and thinking about how to live their lives. -- Kazuyo Yamane, Peace Studies lecturer at Kochi University Norriss story of a symbolic life is a gift from his own experience, and it gives us something good, meaningful, and inspiring. . . . The comprehension questions, exercises, and discussionessay questions are quite useful in helping Japanese students to think in English and in encouraging them to express themselves in English as well. This is the ideal textbook. -- Professor Kazushige Sagawa, Aoyama Gakuin University This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
