

Lessons in Language: An Introduction to the Study of English Grammar (Classic Reprint)

By Hiram Hadley

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Lessons in Language: An Introduction to the Study of English Grammar Most children twelve years of age should be able to speak and write the English language with considerable readiness and accuracy, to avoid the common vulgarisms, and to detect the most frequent errors of speech, arrangement, and notation. The ordinary methods of teaching English grammar do little to establish a correct use of language. The text-books in common use appeal chiefly to the memory. They are placed in the hands of young pupils who memorize them, and, perhaps, recite satisfactory lessons, but the real result is the acquirement of many terms and definitions, which convey but little meaning, and give but little mental growth. The practical use of language is not acquired thereby. The injury inflicted upon the pupil is a double one. First, after much toil he fails to reap any substantial benefit. Second, he acquires wrong habits of study, which usually hinder thought, and give a great distaste for the subject. For the duties of life he is but little better fitted...

Reviews

This pdf can be worthy of a read through, and superior to other. It generally does not expense excessive. Its been printed in an exceptionally simple way and it is just soon after i finished reading this ebook in which in fact modified me, change the way i really believe.

-- Mr. August Hermiston PhD

The most effective ebook i possibly go through. I am quite late in start reading this one, but better then never. Its been designed in an extremely basic way and it is just after i finished reading this ebook by which basically transformed me, modify the way i believe.

-- Giovanny Rowe
