

The Reluctant Traveler: Memoirs of World War Two (Paperback)

Filesize: 8.92 MB

Reviews

This book will be worth getting. Better then never, though i am quite late in start reading this one. Its been written in an extremely basic way which is only right after i finished reading this book through which actually altered me, alter the way i believe.
(Mr. Enrico Lesch)

AUTHORHOUSE, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This is a must-read for World War II buffs! The narrative was written from the perspective of an Eastern European youngster growing up on the losing side of the conflict during the war years. This is a saga that spans Paris in the 1930s to Sofia, Bulgaria's capital, in May 1940, just prior to the victorious Nazi armies that paraded in Paris on June 14, 1940. At the time of their arrival in Sofia, Bulgaria remained neutral. On March 1, 1941, Bulgaria joined the Axis and later on declared war on the USA and Great Britain. That action invited the systematic bombing of Sofia, resulting in the family having to relocate to a safer location. The chosen location was in what used to be Northern Greece, a city called Serres, where the family lived until the fall of 1944 when the German armies were forced to retreat, which meant that the family had to move back to Sofia. At the end of the war, the family decided to leave Bulgaria as soon as possible. In spite of many obstacles, the family was able to reunite in Prague and, from there, spent some time in a couple of displaced persons (DP) camps in Rome and Naples. Eventually, they sailed from Naples to Buenos Aires and five years later, flew to New York City, the final desired destination.
