

## Scholastic Question Answer Do Stars Have Points

By Melvin Berger

Scholastic Reference. Paperback. Book Condition: New. Vincent Di Fate (illustrator). Paperback. 48 pages. Dimensions: 9.6in. x 7.6in. x 0.2in. From simple questions like How hot is the sun to more complex ones like Is there life elsewhere in the solar system this book helps kids understand what they see when they look up at the sky. So many mysterious things appear when we look up at the sky. And then there are the bodies we can't even see. Learning about the universe helps us understand our own planet. Children will find out about stars, planets, comets, meteors, and more. The authors provide answers that help children understand the scale, movements, and complicated relationships of objects in our universe and beyond. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

### Reviews

*This is the very best publication we have read through right up until now. It is one of the most incredible book we have read through. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- **Miss Celia Volkman**

*This book is really gripping and fascinating. I was able to comprehend every little thing out of this published e pdf. Your life span will likely be transformed when you fully look at this ebook.*
