Reviews

*Very useful to all category of men and women. I actually have study and i also am certain that i am going to going to read through again once more down the road. Its been written in an exceptionally simple way and is particularly only soon after i finished reading this publication by which basically altered me, modify the way in my opinion.

THE CARPAL TUNNEL HELPBOOK

Da Capo Press. Paperback. Book Condition: New. Paperback. 160 pages. Dimensions: 8.8in. x 6.0in. x 0.4in. There are more than 500,000 carpal tunnel surgeries done annually in the United States but approximately 30 percent of these patients will be no better as a result. The truth is, most physicians are too quick to consider surgery as the first line of defense against carpal tunnel and other repetitive-strain injuries. In this comprehensive guide to recognizing and treating these debilitating conditions, Dr. Scott Fried takes a strong position against surgery and offers self-healing alternatives that have better results. From understanding the signs and symptoms at an early stage to modifying work and lifestyle; from proven alternative therapies and helpful medications to nutrition and exercise, The Carpal Tunnel Helpbook provides authoritative advice and practical, up-to-date information to spare many patients the ordeal of surgery to treat their injuries. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
