THE POWER OF DELTA PHI: HARNESSING CHANGE TO WORK FOR YOU (PAPERBACK)

Balboa Press, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The story behind the principles laid out in this book is an example of how the little things in life can play such a huge role in how we live. The author's recollection of how he came by the principles compels the reader to look beyond the norm of our daily lives and endeavor to pursue more of the meaning of life that we all search for. The Power of Delta Phi explains and enables readers to adopt principles that empower them to move beyond the constraints of resisting the ever-present change in our lives, so that they may actively pursue solutions to improvise, overcome, and adapt to the ever-changing world we live in. The book sets down a set of eight principles that, when properly utilized, will provide the foundation upon which a person can build a less stressful environment controlled more by their own design and less by chance.
