Kensington Publishing, United States, 2002. Paperback. Condition: New. New edition. Language: English . Brand New Book ***** Print on Demand *****. Over many centuries, African people have offered the world an abundance of proverbs, fables, riddles, songs, and poetry that have been passed down orally from generation to generation. Now African Proverbs carries you on a journey of cultural discovery across the regions of that vast continent, offering meaningful and often poetic sayings as a source of learning and inspiration. You'll feel the torment of love as expressed in Swahili poems, learn the wisdom of great leaders and political thinkers, and see nature's influence on man reflected in brief but powerful stories. With an entry for each day, this valuable collection provides a reflective commemoration of Africa's rich heritage--one that you can share with others, and draw from all year round.
