Leah Penry Price, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Just over twenty-five years ago, my 34 year old husband of four and one-half years was suddenly diagnosed with a very aggressive stage four cancer and given no hope for recovery. He was so sick that the only course of action was to try to prolong his life if only for a few weeks. Many would ask, Why save him, he is too sick? .in other words, Save the bullet. As the scripture says, Now hope that is seen is not hope. For who hopes for what he sees? (Romans 8:24) Come along on this journey with me and discover God s imminence especially in the midst of crises, His provision at just the right moments, living hope when there is no evidence for hope, the goodness of humanity, and miracles. For anyone desiring proof of a higher power, practical steps to cope in crisis, how to live hope, and evidence of miracles, this story is for you.
