Polaroid : The Magic Material

By Florian 'Doc' Kaps

Quarto Publishing Plc Nov 2016, 2016. Buch. Condition: Neu. Neuware - Florian 'Doc' Kaps tells the amazing story of Polaroid, a photographic medium he helped to rescue from oblivion in 2008. The story starts with visionary founder Edwin Land's development of instant film in the 1940s. Doc shows how Polaroid has influenced visual culture in the seventy years since then, presenting more than 250 Polaroids including found portraits, 'thoughtographs', erotica, anthropology, fashion and fine art from photographers including Andy Warhol, Araki, Ansel Adams and Chuck Close. The book also tells the story of how Doc revived production of film in 2008 with The Impossible Project, and explores the place of this analogue technology in the twenty-first century. The factors that led Polaroid to discontinue production in a world transformed by digital photography are the very reasons why there is ever-growing demand for the magic of instant photography today. 240 pp. Englisch.

Reviews

Absolutely essential read through ebook. Better then never, though i am quite late in start reading this one. I am just delighted to inform you that this is actually the finest ebook i actually have read through during my own existence and might be he greatest publication for actually.

-- Ms. Vernie Stracke

It in just one of my personal favorite book. I was able to comprehended every little thing out of this published e publication. It is extremely difficult to leave it before concluding, once you begin to read the book.
