Shakespere has dealt with the minute and the mighty, the insignificant and the infinite, the mean and the majestic, the beautiful and the base, the simple and the sublime, the tri?ing and the important, the wisdom and the folly, the joy and the sorrow, the love and the hate, the jealousy and the malevolence, the extravagant and the matter - of - fact, the fantastic and the horrible, the ideal and the real, behind the curtain that conceals the arcana of this wonderful world of man - a mighty maze but not without a plan.
