Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This is a book about me. It's a collection of poems and random writings that I have done over the last 22 years. You will find mostly dark inside. About 90 of the work in here was written while high on something that was not life. For a long time I buried all my feelings all of my emotions and this was my only non-physical outlet. I am not publishing these works for sympathy or compassion. I am publishing them for me. I want to slam doors on a few things and I think this is the best way to do it. No one but my friends and family will read it and I am ok with that. If you are someone unknown to me and you have decided to read my book. Thank you. I hope that maybe it if you have someone like me in your life that it will open some doors and shed some light on their situation.
