Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The characters are forced to balance their lives on the razor s edge during the war in the former Yugoslavia. In order to survive, physically as well as spiritually they have to flee the war-torn country. Their journeys lead them to Vienna, the French Foreign Legion and Afghanistan. This is a story about people haunted by their past and driven by erotic passion in their quest for inner peace and their desire to come to terms with reality. Recommended by the publisher (Explicit confrontation with the era of madness) Not being a devotee of erotic literature, I approached the task of reading the manuscript of the novel Erotopolis with a healthy dose of skepticism. The average reader is aware that explicit literature frequently suffers from a lack of literary quality, healthy ideas, good story and viable dynamics. The erotic writers often mask the mentioned flaws with shocking descriptions of sexual acts. Having read the first few sentences of the novel I was ready to subscribe to the notion that this work is no different: - Why did you dress me in ribbons, we are going to get married, right? - I asked. He just said: - I want to get married with a hard-on! That made perfect sense to me and we got married. However, as I read on I was steadily confronted with: - skillful storytelling - clarity of language - skill and eloquence. and above all literacy, and literacy is something not many popular novelists can boast about. This text reads like a scenario for a good, modern and fast-paced movie. It is widely believed in the world of literature and publishing that an autobiographic novel is the beginning...
