## Confessions of a Scary Mommy: An Honest and Irreverent Look at Motherhood - The Good, the Bad, and the Scary

By Jill Smokler

BRILLIANCE AUDIO, United States, 2012. CD-Audio. Book Condition: New. Unabridged. 165 x 137 mm. Language: English . Brand New. Sometimes I just let my children fall asleep in front of the TV. In a culture that idealizes motherhood, it s scary to confess that, in your house, being a mother is beautiful and dirty and joyful and frustrating all at once. Admitting that it s not easy doesn t make you a bad mom; at least, it shouldn t. If I can t survive my daughter as a toddler, how the hell am I going to get through the teenage years? When Jill Smokler was first home with her small children, she thought her blog would be something to keep friends and family updated. To her surprise, she hit a chord in the hearts of mothers everywhere. I end up doing my son s homework. It s wrong, but so much easier. Total strangers were contributing their views on that strange reality called motherhood. As other women shared their stories, Jill realized she wasn t alone in her feelings of exhaustion and imperfection. My eighteen month old still can t say Mommy but used the word shit in perfect context....
