

Cracking the Foundation of the New Perspective on Paul: Covenantal Nomism versus Reformed Covenantal Theology (Paperback)

By Robert Cara

Christian Focus Publications Ltd, United Kingdom, 2017. Paperback. Condition: New. Revised edition. Language: English . Brand New Book. The New Perspective on Paul claims that the Reformed understanding of justification is wrong - that it misunderstands Paul and the Judaism with which he engages. The New Perspective s revised understanding of Second Temple Judaism provides the foundation to a new perspective. This important book seeks to show that this foundation is fundamentally faulty and cannot bear the weight it needs to carry, thus undermining the entirety of the New Perspective on Paul itself.
