Orion Publishing Co, United Kingdom, 2014. Paperback. Condition: New. UK ed.. Language: English . Brand New Book. Tibor Tarent, a freelance photographer, is recalled to Britain from Anatolia where his wife Melanie has been killed by insurgent militia. IRGB is a nation living in the aftermath of a bizarre and terrifying terrorist atrocity - hundreds of thousands were wiped out when a vast triangle of west London was instantly annihilated. The authorities think the terrorist attack and the death of Tarent s wife are somehow connected. A century earlier, a stage magician is sent to the Western Front on a secret mission to render British reconnaissance aircraft invisible to the enemy. On his journey to the trenches he meets the visionary who believes that this will be the war to end all wars. In 1943, a woman pilot from Poland tells a young RAF technician of her escape from the Nazis, and her desperate need to return home. In the present day, a theoretical physicist stands in his English garden and creates the first adjacency. THE ADJACENT is a novel where nothing is quite as it seems. Where fiction and history intersect, where every version of reality is suspect, where truth and falsehood lie closely adjacent to one another. It shows why Christopher Priest is one of our greatest writers.
