GETTING STARTED IN CHARITABLE GIFT PLANNING: YOUR GUIDE TO PLANNED GIVING (PAPERBACK)**DOWNLOAD**

Charitychannel LLC, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.As fundraisers, we can attend classes, seminars, or conferences and gain knowledge in a new area of fundraising. But implementing strategic ideas and turning them into useful programs can be daunting. *Getting Started in Charitable Gift Planning: Your Guide to Planned Giving* covers the steps needed to move an organization from one that has focused on annual and major giving to one that can include gift planning and have it serve as an integrated component of its development program. Tip: Be sure to pick up the companion *Getting Started in Charitable Gift Planning: The Resource Book* which includes basic tools and templates to create the infrastructure necessary to start a gift planning program. Veteran gift planning experts Brian M. Sagrestano and Robert E. Wahlers provide fundraisers and nonprofits with the basics of how to identify gift planning prospects and opportunities, have the gift planning conversation, and steward gift planning donors. They also define the different gift planning tools and how to apply them to particular prospect situations. Whether meeting with donors or their professional advisors, fundraisers need the ability to speak the same language and understand the core concepts. *Getting Started in Charitable Gift Planning* will guide you as you start your journey to building a great gift planning program. The authors show you how to set the stage to drive the evolution of your program, starting with the basics of building infrastructure, working with prospects, and marketing your program. They guide you in adding the components of a stage-two gift planning program, which assists your prospects and donors in meeting personal planning objectives while supporting your nonprofit. And when you are ready, you will add philanthropic planning to create a stage-three program, which...
