*It is one of my personal favorite book. It is written in easy terms and never hard to understand. It's been designed in an exceedingly easy way and it is only after I finished reading this publication by which in fact changed me, change the way I think.*

Drawn and Quarterly, Canada, 2014. Postcard book or pack. Book Condition: New. 160 x 114 mm. Language: English . Brand New Book. Adrian Tomine (Shortcomings, Scenes from an Impending Marriage) has forged countless iconic images of New York City in his career as an illustrator. A master of conveying an entire story with a single panel, his covers for The New Yorker are beloved by New Yorkers and non-New Yorkers alike, as much for their frank yet charming portrayal of life in the big city as for their flawless design and gorgeous linework. This postcard set celebrates thirty of Tomine's most well-known illustrations, and is a loving homage to the city that Tomine, a West Coast transplant, has called home for the past eight years.
