This book covers over 30 years of work starting in 1975. About 30 poems were written between 1975 thru 1978. No writing again until 2004 when I joined the poets workshop online poetry site. Since then I have written around 80 poems in the last 6 months. There are many different styles of poetry ranging from free verse, complete rhyme, haiku s, senryu s, lyrics for songs, and a few unconventional styles with my own modified style of rhyme, meter, pentameter. The poems range from ones about my two marriages, divorce, my kids, losing everything, starting over, etc. etc. being a weekend father and all the loneliness and pain one has to deal with in a divorce. My views of life and lessons I have learned. Many different subjects I have written about. Main theme of new work is from my hopeless romantic side. Basically the story of my life in poetry.
