PRINCIPLE CENTERED LEADERSHIP

Simon & Schuster Audio, 2000. Audio Book (CD). Condition: New. NEW STILL IN FACTORY PLASTIC-PRINCIPLE CENTRED LEADERSHIP will help solve these dilemmas - and many others: * how do we achieve a wise and renewing balance between work and family in the midst of constant pressures and crises? * how do we unleash the creativity, talent and energy of the vast majority of the work force, whose jobs neither require nor reward such resources? * how can we have a culture characterized by change, flexibility and continuous improvement and still maintain a sense of stability and security? * how do we create team spirit and harmony among people and departments that have been criticising and attacking each other for years? * how do we get people and culture aligned with strategy, so that everyone in an organisation is as committed to the strategy as those who formulated it?.
