Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The proceeds from this book will be contributed to NGO Service Organizations towards directed special projects as designated by the author. The lack of engagement and influence are the top two issues in work and community. Awesomeness Now! Guides the reader through the vision Leader-Teachers to co-create and transform projects and people who influence and make a difference in the world of work and life. The Mission to create a network of networks of Leader-Teacher Influencers who ignite their awesomeness, their non-negotiable to make a difference in the world one step at a time. The world needs those who are willing to engage in a meaningful way that influences decision making, creates more focussed attention to outcomes and success as community and business align with values that shape our behaviour and our thinking in the world today. Leader-teachers help people/society begin to move from a rules-based compliance model of living to a values based caring model of sustainability. My goal is to provide this book as a mechanism, a catalyst, a fund raiser for Not for Profits and Service organizations to...
